What is PASCAL?
PASCAL is the Partnership Among South Carolina Academic Libraries

What is PASCAL Delivers?
PASCAL Delivers is a rapid book-delivery service that allows you to request books with the click of a mouse or a tap to a mobile device.

Who can participate?
Students, faculty and staff can request books from any participating college library across South Carolina including Trident Technical College, The College of Charleston, Clemson, University of South Carolina and many other colleges in South Carolina.

How many books can I get?
Users are allowed up to 50 requests at a time. Requests are defined as a book at any stage in the system—just requested, in transit or borrowed by a user.

How quickly can I get my books?
Users typically receive their books within 5 business days of submitting a request.

How long can I keep a book?
Items can be kept by users for up to 6 weeks. The clock starts ticking when the book arrives here at the library.

How will I be notified when my book comes?
Our circulation department will contact you by phone or email when your book(s) may be picked up.
